

Changes to the Team Cup Draws.

1. Neutral Alleys will be deployed for the Semi-Finals and Finals.
2. All other cup matches will be hosted by the Team draw home (R1, R2 & QF).

Same as the football FA Cup.

1. In the event a team is drawn home, and their alley is already hosting a match. The home and away team will be swapped so the away team will become the home team.
2. In the event the alleys of both teams are hosting a match then the Committee will allocate a neutral alley.

Sticker-up: Cost to be shared

Food: **Assume it's not being provided.** Providing food is at the discretion of the home team
